A screenshot of a Trello card titled "codyyssey test makr". The card is part of a board named "codyyssey". Below the title, there are five buttons: "+ Add", "Labels", "Dates", "Checklist", and "Members". Under the "Description" section, there is a text input field with the placeholder "Add a more detailed description...". On the right side of the card, there is a "Comments and activity" section with a "Show details" button and a comment input field. A comment from user "Yoonjimin" is visible, stating "Yoonjimin added this card to codyyssey" with a timestamp of "5 minutes ago".

The screenshot shows the Notion interface. At the top, there are three tabs: 'Power-ups', 'Automations', and 'Comments'. The main content area displays a card titled 'linkedin trst make'. Below the title, there are five buttons: '+ Add', 'Labels', 'Dates', 'Checklist', and 'Members'. To the left of the card, there is a 'Description' section with the text '0720 메이크 테스트'. To the right of the card, there is an 'Edit' button. On the right sidebar, there is a 'Comments and activity' section with a 'Show details' button. Below this, there is a comment from 'yoonjimin' that says 'added this card to linkedin' and was posted '2 minutes ago'.

A screenshot of a Notion card titled "linkedin trst make". The card has a header bar with "linkedin" and a dropdown arrow. Below the header, there's a section titled "Description" with a menu icon on the left and an "Edit" button on the right. The description text is "0720 메이크 테스트". To the right of the description, there's a "Comments and activity" section with a "Show details" button. Below this, there's a comment from "Yoonjimin" saying "added this card to linkedin" with a timestamp of "2 minutes ago". At the bottom of the card, there's a bar with "Power-ups", "Automations", and "Comments" (which is highlighted with a blue underline).
